

Welcome to the AMA!

Any parent of a choir or band student may become a member of the AMA Society. Our purpose is to provide fundraising opportunities that support the music program here at Argyle. This includes providing opportunities for students to be able to finance musical experiences, for helping to attend workshops, local and international tours, and for scholarships for graduating students. This is in addition to providing financial assistance by way of bursaries to students who would otherwise not be able to participate in some of the musical experiences available. This is an organization of teachers, parents and students. This fabulous Music program relies on the support of everyone in the community so the teachers can focus on teaching yet providing enriched experience for all students in the program.

Volunteers to support Argyle's music program...possible areas of interest. More information or to volunteer contact [icanhelp@argylemusic.ca](mailto:icanhelp@argylemusic.ca)
